

**Registering for the SAT and ACT**  
**(Menwith Hill's School Code is 724310)**

**ACT:** Menwith Hill School's testing center code for the ACT is **870090**. You **must** use the code as all military bases are "hidden" on the website since they have restrictions on who may test at these centers. New this year is that students register for the ACT online at [www.act.org](http://www.act.org). The ACT costs \$30.00. Students who attend DoDEA schools outside the US do not have to pay the \$22.00 overseas surcharge. The surcharge waiver numbers are serialized, so students must get their individual waiver number from the counselor, Dr. Gunderson. Testing is usually from 8:00 a.m. (arrive at 7:45 a.m.) – 11:45 a.m. on Saturdays.

**SAT:** Menwith Hill School's testing center code for the SAT is **57154**. Students register for the SAT online at [www.collegeboard.com](http://www.collegeboard.com). In order to register online, students must first create a profile. Students need to use their PSC address, and select "outside the U.S." when choosing a test center location. When putting in the test center location it is better if you put in the code number rather than "Menwith Hill". Collegeboard recommends that students register early for the SAT. Online registration is fast and convenient, and students can print out their admission tickets instantly. The SAT costs \$43.00. Testing is usually from 8:00 a.m. (arrive at 7:45 a.m.) – 12:30 p.m. on Saturdays.

Students should get a good night's sleep before test day, and eat a healthy breakfast. They should arrive at Menwith Hill School at 7:45 a.m., and should bring their admission ticket, government-issued ID, two number two pencils, an acceptable calculator, a watch to keep an eye on the time, and, if they like, snacks to be eaten during breaks. See [www.collegeboard.com](http://www.collegeboard.com) for more information about what kinds of calculators are permitted and other important policies. Please contact Dr. Gunderson if you have any questions or are having difficulty with the on-line registration.
